July 8, 2016

Dear Friends in Christ,

We trust this letter finds you enjoying God's richest blessings. I pray that each of you are having a blessed summer and seeing God work in your respective ministries.

I wanted to send out a letter and update folks on what is going on in our lives and ministry. Julie and I are grateful to be able to have served the Lord together for twenty-eight years now. It has been a wonderful road of blessings, testing, victories, and faith-building lessons that God has allowed us to experience together.

We are moving into a new season in our lives and ministry. I am stepping out by faith and going into evangelism. My heart is truly burdened to help stir the hearts of churches for the need of revival and the motivation to get the gospel around the world. Revival has been a theme of my preaching for many years now, and I want to try by God's grace, to help relay that burden to churches that God will let us be able to help. I just have a desire to encourage the church, help see God's power fall again, and see salvation's grace come to as many people as possible. I'm not here to make a name for myself, I just want to try to be a help to the church. I'm thankful that I have seen over the years that revival can come to ministries, no matter how large or how small. It can bring fresh joy. It can bring life to that which has become dead. I still believe that God is on the throne and I just want to encourage others as God will allow me.

My meetings begin this month. I have recovered from two surgeries over the past several weeks and could not begin to schedule any meetings till the recovery from these surgeries was complete. I have appreciated those who have already scheduled us and some who have suggested us to other preachers. We are trying to fill the calendar for the rest of the year with Sunday meetings, Wednesdays, preachers' fellowships, and special meetings. Then we are really wanting to work hard on filling up with Revivals and Mission Conferences for next year.

If you could have us, would you please contact me? We would love to be a help to you and your ministry. If you could suggest us to your pastor, we would certainly appreciate it. I'm not a great preacher, but I'm grateful that God, by His grace, has seen fit to use us over the years. I have pastored and been a missionary. I've had the opportunity to preach in over two-hundred and fifty churches around the world. The Lord has given me the opportunity to preach in several of our good Christian Bible colleges. My desire is just to be a help and blessing to those that God will allow me to minister to.

We have been helping Moriah Baptist Church for the last year. Pastor Randy Lynn and the wonderful people of the ministry have been such dear friends and encouragers during our time of healing and transition. I worked as the assistant pastor of the church while I was healing from my many surgeries. We are stepping into a new phase of faith, financially speaking. We will not have a steady income coming in. We are grateful for some churches that have taken our ministry on for support. If you would like to partner with us, you can send support to Moriah Baptist Church, PO BOX 2127 Fort Oglethorpe, GA, 30742. If you would like to give a love offering to help us in these beginning months of ministry, you can also send it through the church. We are grateful for your prayers and any financial support that God encourages you to give.

What a blessing to see the embers of revival beginning to stir through our country. I hope that we will seek God in our lives, our homes, our churches, and our nation to turn us back to righteousness and holiness. God is still on the throne and I believe He is working in our midst. I pray that we can be a help to you down the road.

In Christ,

Bro. Mark Lancaster
